Rugged coralline cliffs tower over shimmering white-sand beaches. Calm, crystal waters reveal the depths of blue and turquoise. It's a Caribbean dream. This is Anguilla. For your sales of Companion Life group products, you and a guest will enjoy six days and five nights at the lavish Four Seasons Hotel Resort and Residences Anguilla during Companion Life's 2022 Leaders Conference.

A British territory in the eastern Caribbean, Anguilla will restore your mind, body and spirit with its luxurious natural beauty. Your cares and worries will disappear as you set foot onto any of its 33 sparkling beaches or sail away to a secluded off-shore cay. And there's more to see under the surface of the water — coral reefs and sunken shipwrecks offer another captivating world of exploration.

On the island's northwest shore, Four Seasons Resort and Residences Anguilla overlooks two of the island's stunning beaches. And you'll never be too far from the water — 80 percent of accommodations have ocean views. Unwind in the infinity pool, breathe in the brilliant sunset views from the Sunset Lounge, and achieve ultimate relaxation in the resort's spa.

Anguilla is known as the culinary capital of the Caribbean. There are more than 100 restaurants on the 16-mile-long island. From elegant fine dining to shabby chic beachside bars and international cuisine to fresh local flavor, you're sure to find something that suits your tastes and excites your palate. Looking for an active adventure? Exhilarating water sports or an afternoon on the island's 18-hole championship-level golf course may be more your speed.

Experience the tranquil paradise of Anguilla in 2022!
